

Pointing Dog Seminar

Saturday & Sunday June 7 & 8, 2008

Starting at 9 a.m. at the Sportsmen's clubhouse at Grovespring, MO.

Dennis Hidalgo, M.C.

Elsa Gallagher, biology research specialist from Quail Forever will give a presentation on quail populations and habitat restoration.

Dr. Allen Dunbar, DVM, from the Canine Bone & Joint Clinic in Wisconsin, specializing in ACL injuries, spinal conditions, hip replacement, complex fractures & more by a Vet who lives and breathes hunting and field trials.

DNA research specialist, **Dr. Mark W. Neff** has a captivating program on pointing dog genes and what it can do for future breeding programs.

There will be hands-on training instruction on your dog by three nationally known dog trainers: **Andy Daugherty, Jerry Hailey & Scott Miller**, covering trialing, hunting, and handling.

So bring your dog and yourself for special days for both of you. Lunch will be served at noon on Saturday and there will be a dinner Saturday evening. The dinner is included in the price of admission.

All this for only \$250! Paid reservations must be received by **May 27, 2008**. There is a special early fee of \$225 if paid reservations are received by May 1, 2008. For information and reservations please call or mail to: **John W. Evans, 18450 Marion Dr., Phillipsburg, MO, 65722, telephone: 417-589-2441; or Dennis or Bonnie Hidalgo telephone: 303-655-1099**

The purpose of this seminar is to raise funds for machinery to maintain the Sportsmen's field trial grounds at Grovespring, MO. Your support and donations are urgently needed and appreciated.

Thank you,
John Evans, chairman
